OFFICE OF LEGISLATIVE COUNSEL

Thursday - 25 January 1962

- 25X1 1. [] Talked with Colonel King, WH, who
agreed that the DCI should not see []. 25X1
25X1 in the office of Representative Bob Wilson, that we had considered carefully
the question of [] seeing the Director and felt that it would be inappropriate
at this time. She indicated she thought Mr. Wilson would understand and
I requested that if the Representative had any question on this to please
STAT let me know.
- 25X1 2. [] (JSW) [] telephoned saying that
Henry Wilson, in the White House, received a call from Representative
Hale Boggs (D., La.) urging that someone in the Agency interview [] 25X1
[] who is apparently a former Agency employee. His telephone
25X1 number is []. Arrangements were made for Mr. Warner to
25X1 see [] at 10:30 on 29 January.
- STAT 3. [] - GLC) At his request, I talked with David Perry,
in the office of Senator Vance Hartke (D., Ind.), on the case of [] 25X1
an Agency employee who is being separated under the provisions of Agency
25X1 [] as surplus personnel. I reviewed []'s case 25X1
for Perry covering the Director's 102(c) authority and the procedures
established for such cases. Perry said he had no quarrel with us in the
exercise of our authority or in the procedures followed, but felt most
25X1 sympathetic to a lady of []'s years and Government service and
merely asked that we do everything we could to assist her in finding
employment elsewhere. I told Perry that our Out-Placement people have
25X1 been working with [] on this and will do everything possible to
assist her. The substance of my conversation with Perry has been passed
25X1 on to [], IG's office, and to [] 25X1
Personnel.
- STAT 4. [] - GLC) [], OCR/Liaison, called to 25X1
say he was meeting with Dr. Elsberry, of the Library of Congress, to 25X1
discuss a liaison procedure between the Library and the Agency. []
will send us a copy of his memo on the meeting.
